Week 8

(765)641-2101

rfulton@acsc.net

Reading Log

- You may have noticed last week a different reading log came home. Our class is participating in the Book-it Reading Challenge. Every 20 minutes a student reads he/she needs to put the date in the mini-clock. When the entire paper is filled out the student will earn a coupon for a free Pizza Hut pizza. This can be completed any night of the week and weekends. I told the students If they read 40 min in one night they are welcome to put the date on two clocks. Please do not sign this for them until it has been completed.

Math

- Traditional Multiplication
- Estimation
- Place Value

ELA

- Theme
- Idioms
- Capitalization in Writing
